## Education

**Central Institute of Technology Kokrajhar**

*BTech in Computer Science and Engineering (CGPA of 8.5)*

**July 2020 - July 2024**

*Assam, India*

## Work Experience

**Technical Intern | GeeksforGeeks**

**Aug 2022 – Nov 2022**

- written technical articles on various aspects of **computer science**
- **15+** Articles published till date related to **DSA, C++, Linux, Git, Shell & Web Development** domain
- Published articles are available [Here](#)

## Projects

**TNP Website** | *JavaScript, React.js, CSS, Html* | [Code Link](#) | [Live](#)

- Developed React based application for placement cells to attract recruiters to conduct hiring drive
- concept of Routes, useState, fragment, switch & props is used
- The website is deployed using GitHub pages and It is in use by CITK

**Coding Club CITK** | *JavaScript, JQuery, BootStrap, CSS, Html* | [Code Link](#) | [Live](#)

- It's a fully responsive Website for the coding club to showcase and handle events
- Implemented smooth scrolling using JQuery
- Separate page for gallery has been implemented also form has created to take message
- Club can manage the events using event section

## Coding Profiles

[LeetCode](#)

[GitHub](#)

## Technical Skills

**Languages:** C/C++, JavaScript

**Technologies/Frameworks/Databases:** React, CSS, BootStrap,  
HTML, MySQL, API

**Tools:** Git/GitHub, VS Code, Atom

**Course Work:** Data Structure & Algorithms, Object Oriented Programming using Java, Computer Networks, Operating Systems, Design and Analysis of Algorithms, DBMS etc.

## Achievements

- **Rank 1** in Coding contest organized by Celebal Technology on HackerRank
- Solved about **400+ Problems on Data Structures and Algorithms** on various coding platforms.
- Got MI(Xiaomi) Scholarship for Undergraduate courses 2020-21
- Comes in Top 2% students in my 12<sup>th</sup> Board exam

## Position of Responsibility

**Secretary & Coding Tutor at Coding Club CITK**

- Creating a coding environment in college by **organizing contests, teaching and helping students** as mentor with **mentoring over 200+ students**, targeting skill set of **Leadership, Mentorship, Teamwork**.
